## FAQs

### What qualifications do I need before enrolling on a lash & Brow course?

For our lash and brow courses you don't need any existing beauty therapy experience or qualifications. These courses are Guild Training International (GTI) courses delivered by nkd. Before being accepted onto the practical course, all students must enrol and complete the GTI Professional standards course which covers the basic requirements of health and safety, legislation, hygiene, and sanitisation as well as personal appearance, and professional ethics. It is a Guild requirement that you complete this course before your lash and brow course theory.

## FAQs

### Will I need to act as a model on during the practical day?

*Yes please! You will be required to act as a model on the practical day to ensure everyone on the course receives enough practise. It's also great for you to experience the treatments to help you promote them to your clients. Everyone receiving a treatment on the practical day needs to have a patch test, therefore please let us know at the time of booking if you're not able to attend at least 24hrs prior to your training to receive a patch test, and we will make sure we have models available for you to work on.*

### How many models will I get to practice on during the day?

*You are required to complete 1 full treatment during the practical training, however at nkd we work hard to get additional models in to allow you to have extra practise and develop your skills further.*

## FAQs

What happens if I don't make the grade on the day? Will you fail me?

*To protect ourselves and you, nkd has high standards. If we do not feel you have reached the required level on the day of your course, we are sorry but we will be unable to certify you. In that instance, you will be given one month to go away, practice your techniques and return to nkd to be re-assessed. Unfortunately, we will not be able to refund you the cost of your course or any associated monies if you fail your reassessment.*

What are your payment terms?

*You will be asked to pay a minimum 50% of the cost of your course upon booking in order to secure your place. The balance is payable 4 weeks before your training date.*

## FAQs

### What's your refund policy?

*If you cancel up to 4 weeks before your course, you are entitled to a 100% refund. If you cancel up to 2 weeks before your course, you are entitled to a 50% refund of the cost of the course, unless you manage to find a replacement student for the same course date. If you cancel with less than 2 weeks' notice, we will be unable to refund the cost of your course, unless you manage to find a replacement student for the same course date. In these cases, we reserve the right to charge a £15 administration fee.*

### How many students will there be to a class?

*Maximum class sizes will be 6 – 8 students, but our typical class size is usually 4 – 6 students. nkd feels very strongly that class sizes should be kept small/the relevant number of trainers are on hand to ensure that every student gets as much attention as possible. We recommend that you think very carefully before enrolling on any training courses which accept more than 6 – 8 students, unless a second trainer will be present.*

# FAQs

## Is lunch provided?

*Lunch is not provided. There are lots of supermarkets, cafes and bars near to our salons and training centres where you can buy lunch from.*

## What should I wear to my training course?

*Please wear normal professional salon working attire, e.g. a tunic or something similar.*
